VOL. 11 ISSUE NO. 3 | MARCH 2023

OFFICIAL PUBLICATION OF THE UCM PHILIPPINES FOUNDATION, INC.

Learning the Bible and learning from the Bible

Twenty-five of our scholars attended the Bible Study and Youth Fellowship held at the Union Church of Manila on Saturday, March 4, 2023. Ms. Cora Cabaron discussed Lesson 14: 1st and 2nd Corinthians of the Bethel New Testament Series. The discussions were enlivened by the group presentations which even our volunteers, Ms. Yolly Aboy, Ms. Gloria Jane Baylon, and Mrs. Lou Pablo, thoroughly enjoyed.

The medical mission is happening!

After more than two years, the Foundation will once again hold medical missions in our project sites. Our thanks to Prosel Pharmaceutical, Inc., EuroAsia Pharmaceutical, Inc., and Eon Pharmatek, Inc., early donors of medicines. If you would like to take part in this activity that benefits hundreds in our served communities, either as donors of medicines or as service providers, please call the Foundation office +632-8812-6062 or +632-8812-5609.

Continuing to excel

We are proud to learn that two of our GEESE scholars, Melody Crisostomo and Angelica Sampang, have been nominated in the search for the Top Outstanding Students of Makati.

Know Your Scholar: Joje Ariego

TRACE scholar Joje is just awaiting the day that she becomes officially a graduate. Joje will receive her degree, BSBA Major in Supply Management, from the University of Makati. Even without her diploma, however, she has landed a job and she excitedly talks about it.

Time really flies so fast. I can still remember the day when I was asked to submit my biography for a scholarship. Today, I finally reach one of the goals that I had only dreamed about. I am blessed to have gotten a job even if I have not taken my graduation march. I was hired as a Central Procurement Associate at Megaworld Corporation.

For the time being, as I wait for my graduation which will happen on May 5, 2023 at the Philippine International Convention Center, I am just trying to enjoy my new journey at work and embrace new challenges. Now that I have become a part of the upwardly mobile young adult generation, I know that the future will be doubly challenging.

But I am committed to continue to engage with the Foundation to ensure that I can serve as an example to my fellow scholars and aspiring scholars. I am thankful that in this family, I don't feel any obligation and I can just be myself, knowing that they are around to help me overcome my uncertainties.

Do visit our website www.ucmphilfoundation.org to know more about the Foundation's activities and to participate in continuing to provide a better life to these children and young people. For your inquiries, please call (63 2) 8812-6062 or 8812-5609 or email us at info@ucmphilfoundation.org.
