## A Bed in My Heart

Martin Luther

Ah, dearest Jesus, holy Child,  
Make Thee a bed soft, undefiled,  
Within my heart, that it may be  
A quiet chamber kept for Thee.  
My heart for very joy doth leap,  
My lips no more can silence keep.  
I too must sing, with joyful tongue,  
That sweetest ancient cradle song,  
Glory to God in highest Heaven,  
Who unto man His Son hath given,  
While angels sing with pious mirth,  
A glad New Year to all the earth.

# GEESE and TRACE scholars continue monthly Bible Study and fellowship

Twenty-nine GEESE and TRACE scholars attended the November 8 Bible Study and fellowship with facilitator Mrs. Lily Torrente, Foundation Trustee. Invited to discuss the assigned topic for the meeting was TRACE alumna Sunshine Quillao, who capably presented the lesson *Jesus, Spokesman to Distortion*, from The Bethel Bible Series - New Testament.

The scholars showed that they diligently study the assigned lessons through their readiness to answer challenging questions posed by the facilitator. They have also become comfortable expressing their ideas on topics being discussed.

Now halfway through the school year, the scholars shared that their academic as well as extra-curricular requirements leave them very little time for rest and recreation. Through this monthly fellowship, the scholars connect and draw strength and inspiration from each other.

The lunch that caps the monthly fellowship is a time of celebration, recharging the scholars and getting them ready for another month of challenges until they meet again.
