Graduated with Flying Colors!

Grace Enough to Ensure Secondary Education (GEESE) program has supported a total of 218 scholars since 2003. Scholars are provided with support usually from Grade 7 to Senior High.

This school year, UCMPFI is proud to have three Senior High scholars graduated with distinction. Their success was made possible through the support of donors like Metrobank Foundation

and the dedication of UCMPFI volunteers, who together with the assistance of the Department of Education Makati School Division carried out regular monitoring and evaluation activities for these scholars.

We pay tribute to these young people and pray for success in fulfilling their dreams and aspirations in college. We congratulate their families too.
