Active April

April 2023 was a busy time for the Foundation. Apart from the usual monthly activities, we were able to hold the Appreciation Dinner after three years of not being able to do so. We also had the Annual Membership Meeting before the month ended. Here are the details.

April 1: Second Quarter Monitoring and Evaluation

Twenty-five scholars and seven volunteers worked together to accomplish the 2nd Quarter Monitoring and Evaluation for the different schools. We thank Ms. Gloria Baylon, Ms. Helen Olavides, Ms. Priscilla Madela, Ms. Vangie Nepomuceno, Ms. Cora Baylon, Joje Ariego, and Ms. Janet Co who helped interview the scholars. Our thanks also to Dr. Sally Ingua from the Department of Education for always being present in these activities and encouraging the scholars with her short talk.

April 15: Career Direct Workshop

Seventeen scholars were able to attend the career direct workshop organized by the Foundation. The workshop was facilitated by Pastor Nestor and Dr. Beth Flores and focused on the theme Living by His Design. Dr. Flores had this concluding remark after the workshop: “[We were] so blessed to witness the joy in their faces as we assured them that, from eternity past, God has already coded and designed their calling and assignment.”

April 15: Preparations for the Appreciation Dinner

Six of our volunteers generously offered their time to help prepare for the Appreciation Dinner. Ms. Emmy Huang and Ms. Lily Torrente led the orientation on the many tasks involved. Our gratitude to Ms. Gloria Jane Baylon, Ms. Lou Pablo, Ms. Yolly Aboy, Ms. Cora Cabaron, Ms. Shirly Bernardino, and Ms Vangie Nepomuceno who made sure that everything was made ready beforehand.

Finally, the day came, and what a gathering it was! A total of 95 of our donors, partners, friends, volunteers, and beneficiaries celebrated with us.
