Do not cram for the exam!

LACE Program Exam Preparation

Literacy and Accreditation for Continuing Education (LACE)

In preparation for the Alternative Learning System (ALS) examination, the LACE program conducted a two-part workshop on "Preparation and Review for Accreditation and Equiva-

lency (A&E) Test for ALS" last December 7, 2018 and January 25, 2019. This was facilitated by Atty. Rose Buendia and assisted by Cora Cabaron. The sessions were held at F. Serrano Sr. Elementary School in Brgy. Don Bosco, Parañaque City for

ALS learners from the two LACE-supported schools in Makati and Paranaque.

The first part of the workshop were participated in by 56 learners and covered a discussion on the Ten Study (*LACE...continued on page 2*)

tips, review of the coverage of the examination, practice shading on the answer sheet, and a practice test both written and oral. A take-home test was also given for all learning strands. For the second part of the workshop, 47 learners were able to participate in and reviewed the study tips. The take-home test was checked and discussed as well.

LACE wants to ensure that ALS learners are prepared to take the A&E Test so that their efforts to secure a brighter future through alternative education will not be put to waste. ■

CENEP EDUCATIONAL FIELD TRIP

Interactive Museum Exposure

To provide a more meaningful education to the children under the Child Education and Nutrition Enhancement Program (CENEP), the children had a field trip to Museo Pambata on February 15, 2019.

Children from CENEP sites in Project 8, Cainta, and Mandahuyong visited the museum. They were accompanied

by the CENEP teachers and staff. Volunteers and observers were there to assist as well. Parents and other family members also joined the field trip. The children had fun doing interactive activities, explored the theme rooms, played and enjoyed educational activities inside the museum.

From Museo Pambata, each CENEP group proceeded to their chosen park for lunch and fellowship. The children from (CENEP...continued on page 4)
